

- Deck mounted
- Single lever
- Chrome
- Fixed Spout
- Easy fix
- Double water inlet
- Plastic cartridge with heat and flow limiter
- Flexible hose with stainless steel braiding

Technical Data

Flow properties

Flow-rate at 3 bar **Max 5.0 L/min**

Technical properties

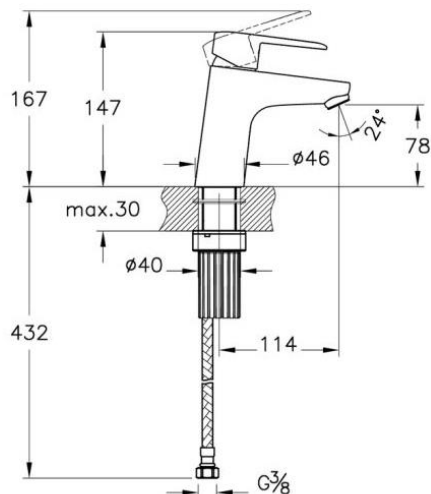

Hot water supply **Max: 80 °C (Recommended: 5-65 °C)**
 Working pressure **0,5-10 Bar (Recommended: 1-5 Bar)**
 Connection size **G 3/8"**
 Body material **Brass**
 Projection **114 mm**
 Spout height **78 mm**

Certificates

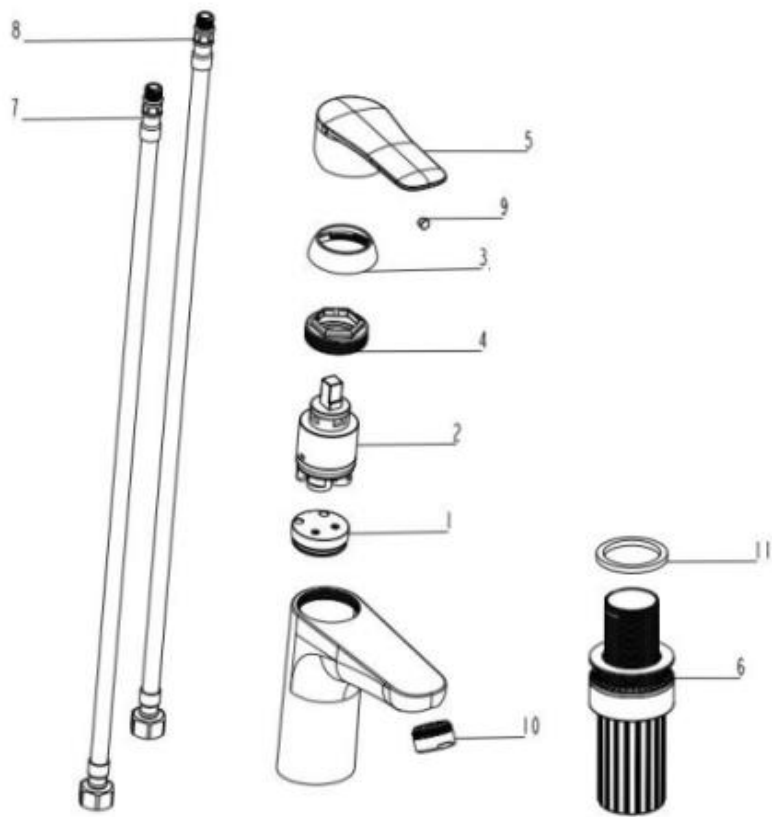

DWGV conformity

Regulations

EN standard **EN 817**
