

- Deck mounted
- Single lever
- Chrome
- Fixed Spout
- Easy fix
- Double water inlet
- Plastic cartridge with heat and flow limiter
- Flexible hose with stainless steel braiding
- Pop-up controlled
- Waste set included

### Technical Data

#### Flow properties

Flow-rate at 3 bar **Max 5.0 L/min**

#### Technical properties

Hot water supply	<b>Max: 80 °C (Recommended: 5-65 °C)</b>
Working pressure	<b>0,5-10 Bar (Recommended: 1-5 Bar)</b>
Connection size	<b>G 3/8"</b>
Body material	<b>Brass</b>
Projection	<b>114 mm</b>
Spout height	<b>78 mm</b>

#### Certificates

DWGV conformity

#### Regulations

EN standard **EN 817**
