

**TECEneo shower toilet**

Article number: 9700205

DU 1: 1 pc.

DU 2: 4 pc.

DU 3: 8 pc.

Description:

Water-saving, rimless toilet ceramic with integrated shower function for comfortable personal cleaning using water. Shower function without electricity via on-site hot and cold water connection, toilet ceramic for in-wall cisterns, simple new installation or retrofitting, individual combination options.

Shower function features:

- Intuitive operation via side rotary knobs for water temperature and water volume
- Shower jet continuously adjustable up to 5.6 litres/min.
- Individually adjustable water temperature (max. 38 °C)
- Replaceable shower arm caps
- Approval according to EN 1717
- Minimum flow pressure 1.5 bar (max. 10 bar)
- Function via water pressure - no electrical connection required

Features of toilet ceramic:

- Wall-hung washdown toilet for 6 and 4.5 litre flush volumes
- Cyclon flush technology (thorough and quiet flushing)
- Cera clean technology (special surface coating for easy cleaning)
- Compact design - projection 540 mm, installation spacing 180 mm
- Concealed wall attachment and concealed water connections
- Rimless ceramic with integrated splash guard
- Pre fix technology: factory-moulded toilet seat attachment for a wobble-free seat and lid (compatible with all TECE shower toilet seats)
- Material: White ceramic
- Hygiene-optimised ceramic design
- Certified to EN 997
- Dimensions (W x H x D): 368 x 365 x 540 mm

Scope of supply:

- Toilet ceramic including concealed toilet mounting
- Pre-assembled designer rotary knobs in brushed stainless steel
- Reinforced hoses for water connection to standard corner valves
- Sound insulation
- Shower arm installation tool
- Device for descaling unit
- Cleaning box

Please order separately:

- TECE toilet seat with CLASSIC lid (Item No. 9700600)
- TECE toilet seat with SLIM lid (Item No. 9700603)

Note:

A warm and cold water connection with corner valves must be installed on site for the shower function (see upgrade sets).
In combination with TECElux the lower attachment glass facing has to be selected, item no. 9650109 or 9650110.
