Obrázek výrobku

A high-quality, modern chrome faucet. It features a single-lever handle on the left side, which is integrated into a tall, cylindrical body. The spout is long, straight, and extends horizontally to the right. The entire fixture has a polished, reflective chrome finish. The background is plain white.

Výkres výrobku

Technical drawing of a kitchen faucet (Výkres výrobku) showing dimensions in millimeters. The drawing includes a side view and a top view. Key dimensions are:

- Overall height: 240
- Spout height: 193
- Spout length: 200
- Spout width: 216
- Spout thickness: 103
- Spout angle: 10°
- Base diameter: $\varnothing 50$
- Base mounting hole: M33x1,5
- Base mounting hole diameter: max. 45
- Base mounting hole spacing: 517
- Base mounting hole diameter: G3/8

Výkres výrobku

This exploded view diagram illustrates the components of a kitchen faucet assembly. The parts are numbered as follows:

- 1**: Lever handle assembly, including the handle (1.1), mounting plate (1.3), and a small pin (1.2).
- 2**: A small circular cap or seal.
- 3**: A small O-ring or seal.
- 4**: The main faucet body.
- 4.1**: A small cap or seal for the top of the faucet body.
- 4.3**: A small O-ring or seal for the faucet body.
- 4.4**: A small pin or screw for the faucet body.
- 5**: The faucet cartridge assembly, including the cartridge (5.1), O-rings (5.3, 5.4), and a decorative cap (5.5).
- 5.1**: The main cartridge body.
- 5.2**: A small O-ring or seal for the cartridge.
- 5.3**: A small O-ring or seal for the cartridge.
- 5.4**: A small O-ring or seal for the cartridge.
- 5.5**: A decorative cap for the cartridge.
- 5.6**: A small O-ring or seal for the cartridge.
- 5.7**: A small O-ring or seal for the cartridge.
- 5.8**: A small O-ring or seal for the cartridge.
- 5.9**: A small O-ring or seal for the cartridge.
- 5.10**: A long, threaded stem or rod.
- 5.11**: A small O-ring or seal for the stem.
- 5.12**: A small O-ring or seal for the stem.
- 5.13**: A small O-ring or seal for the stem.
- 6**: The faucet spout.
- 6.2**: A small O-ring or seal for the spout.
- 6.3**: A small O-ring or seal for the spout.
- 7.1**: A small O-ring or seal for the spout.
- 7.2**: A small O-ring or seal for the spout.
- 7.3**: A small O-ring or seal for the spout.
- 7.4**: A small O-ring or seal for the spout.
- 7.5**: A small O-ring or seal for the spout.
- 8**: A small O-ring or seal for the spout.
- 9**: A flexible braided hose.
- 9.1**: A small O-ring or seal for the hose.
- 9.2**: A small O-ring or seal for the hose.
